Combined, they generate approximately £2bn of revenue each year.

BESA is dedicated to showcasing the world-leading educational products and services provided by British educational suppliers and providing support and advice to its members, the industry and to schools looking for the best resources and services. It founded the Bett show in 1985, the largest EdTech exhibition in the world, the Education World Forum in 2011 and has been running the LearnED Roadshow teacher CPD events since 2019.
