

BRITISH EDUCATIONAL
SUPPLIERS ASSOCIATION

BESA International Service

BESA is pleased to offer a service for international companies who are interested in the UK education sector, to support your growth into the market.

BESA is looking to support the following companies:

- ✔ Overseas Educational Suppliers hoping to make connections with UK Suppliers and/ or investors
- ✔ Companies seeking UK companies to partner with for distribution or partnership purposes
- ✔ Companies hoping to help UK companies export and enter their market
- ✔ Overseas companies looking for support growing into the UK education market

Benefits:

- ✔ Facilitated introduction
- ✔ Support via emails and FAQs
- ✔ Logo and company description promoted to BESA members as a way of accelerating B2B opportunities and partnerships with UK schools
- ✔ Research report with aggregated data on latest BESA research
- ✔ Termly Policy Update
- ✔ Introduction to UK markets, on-demand webinar series
- ✔ Invitation to attend BESA networking events at international trade shows where BESA has a presence
- ✔ An invitation to attend pre-BETT international day in person, at a discounted rate
- ✔ Exclusive networking event at BETT UK
- ✔ Links to key UK organisations and sources of additional information when required on setting up business in the UK including government resources, consultancies, investment areas
- ✔ Business gateways to other organisations that operate in the market, providing information and guidance to help you get started
